

# TURN THE TIDE

## Action Plan Proposal 2020

School Name: \_\_\_\_\_

Project Title: \_\_\_\_\_

Please describe the environmental focus/ issue for your plan:

---

---

---

Why is this focus/ issue particularly a problem for your school/local community?

---

---

---

How are you going to find out the information you need? Who might you contact?

---

---

---

How are you going to take action on this issue? What is the aim of your project?

---

---

---

List the steps you will need to take to complete your action plan. Make sure you include a timeline with deadlines for each step. Remember planning is very important to make sure you complete your action plan on time.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

Will there be any costs associated with your project? Will you need to raise money or will you get resources donated? Where could you get your resources from?

---

---

---
